There's Danger Lurking Down on the Farm

Bomb Hurlled From Plane Misses U. N. Buildings; Pilot Sought in 13 States

LAKE SUCCESS, N. Y., July 22 (AP)—A small plane buzzed United Nations headquarters today and dropped a long object which police said might have been a home-made bomb.

Several hours later a 13-state alarm was broadcast for a 36-year-old former turret gunner in the United States Air Force, identified as Stephen Supina, of Wilmington, Conn., and believed to be the pilot of the craft.

The alarm said Supina was wanted on charges of malicious mischief, a felony.

At Ashford, Conn., Supina's brother, former State Rep. Thomas Supina Jr., said "Steve" has been pretty upset, seeing the world on the edge of another war.

The elder Supina said his brother thought the "U.N. has been too peaceful enough in trying to maintain peace and that they're a bunch of appeasers."

Ever since Stephen came back from the war, Thomas said, he had been very disturbed about the present state of world affairs.

"HE'S HAD A PLAN for peace," Thomas said. "Maybe it would work, maybe it wouldn't but anyway, he's seen a lot of things over Europe, and he hated to think of all that happening all over again. He hated to think of what the boys would have to go through all over again."

Thomas Supina said his brother enlisted in the Air Force in 1942. Sent overseas, he became an engineer and turret gunner, and completed more than 25 missions over Europe.

He said Stephen was awarded a third oak leaf cluster to the air medal for "meritorious achievement" while on heavy bombing attacks on German military and industrial targets, and in support of Allied ground forces.

Since his return to civilian life, the young Supina had been running a diner and gas station.

THE OBJECT DROPPED from the plane exploded 400 feet from the main U. N. building housing the offices of Trygve Lie, secretary general. No buildings were damaged.

Emmet Rogers, a U. N. guard on duty near the scene, reported pains in his stomach from the concussion but declined medical attention.

Several hours later, a small plane, of a type similar to that reported by U. N. guards and others who saw the craft which flew over the U. N., was im-

Longaker Again To Be Secretary Of Draft Board

R. Ross Longaker, 206 North York street, yesterday agreed to take the job as secretary of the local draft board.

He notified Lt. Col. Henry M. Gross, Pennsylvania selective service director, that he would be available for the position as soon as the board begins operations.

Longaker served as secretary before and during World War II.

His position was obtained through Federal Civil Service, and Longaker technically retained it since the war's end.

Recently, Longaker was a member of the borough water department team conducting a survey of local water outlets. That job lasted approximately three months.

The draft board secretary is a veteran of World War I.

CHARLES L. SCHULZ, draft board chairman, yesterday said that he had not yet received word to start the preliminary going to in-duct Pottstown youths, 18 through 25, into the armed services.

Registration will begin Aug. 30, with the older men signing up first. Actual induction of men is expected to begin not before Oct. 1.

Six Pottstown area youths, four of them 18-year-olds, ducked the draft act's one-year-enlistment bargain by enlisting for two years in

SWIMMER SLIPS OUT OF SIGHT AFTER DIVING

Joseph Staverosky, Victim At Hopewell Lake; Was Former Star Norco Athlete

Joseph Staverosky, 17, of South Pottstown, drowned in 12 feet of water at Hopewell lake, French Creek State park, at 3 o'clock yesterday afternoon.

The former North Coventry township Senior High school football star, who was graduated only the past Spring, was the fifth Pottstown area person to drown this Summer.

His family and friends said he was not a strong swimmer, and that he was tired after spending the afternoon at the Berks county park.

Staverosky, a group of friends, including Richard J. Staverosky, J. Staverosky, had gone 200 yards up the lake, from the dam to the north side, where Camp Wood Haven, a Girl Scout camp, is situated.

They were swimming off the quadrangular dock at the camp, diving into inner tubes, when Staverosky's tube started to drift away.

Apparently, witnesses said, he dived in after it.

Essick, after swimming 30 feet under water, came up to see his friend's head sticking out of the tube. He immediately began surface diving after Staverosky, but the youth had gone out of sight.

Essick, continued to dive in the area, frantically trying to find his friend, while grappling hooks were removed from the wooden life guard tower on shore.

3 B29S HEAD TOWARD AZORES

U. S. Superforts Leave Tampa Field on Global Flight From Arizona

TAMPA, Fla., July 22 (AP)—Three B29 Superfortresses landed at MacDill base here today on the first stop of an around-the-world flight which began at Tucson, Ariz.

The big ships from the Strategic Air command's 43d Bomb Group at Davis-Monthan base refueled and headed for the Azores where they expect to stop tomorrow morning.

The planes left their Arizona base early today. They departed here at 5:33 p. m. (Pottstown time).

MacDILL OFFICIALS declined to say how long the planes stopped here or how many were in the crew. This will be the first globe-circling flight for B29s.

The Air Force planned such a project more than a year ago, but the proposal was turned down by the State department at that time. There were reports that this country did not want to arouse Russia then, by any display of U. S. air power.

Today's announcement said the flight now underway has the "concurrence of the State department."

THE ANNOUNCEMENT described the flight—which will go eastward by way of the Azores, Africa, Asia, Japan and Alaska—as a "routine long distance training" operation.

It has used the same language recently to describe missions of 29s going to England and Germany.

From the Azores, the three B29s will fly to Whellus Field, at Tripoli, Libya, arriving there Saturday morning.

Amvets Hear Plea For Public Housing

BETHLEHEM, July 22 (AP)—Delegates to the 4th annual convention of the Pennsylvania Department of Amvets were told today that "the problem of the veteran is not only to find a place to live but to find a place he can afford to live in."

W. I. Shattuck, of Pittsburgh, Mass., housing chairman of the American Veterans of World War II, told the delegates from 200 posts that all veterans must campaign for low-cost rental housing.

He urged all Amvets and all veterans to "insist that Congress (at the special session opening Monday) has the opportunity to stand up and be counted on the Taft-Henderson-Wagner Housing bill."

He declared that "building of homes which a veteran cannot afford to own not only doesn't solve his problem but will eventually get himself and his community into trouble."

THE WEATHER

For Eastern Pennsylvania: Mostly cloudy, not quite so warm with showers and a few thunderstorms today. Tomorrow fair, cooler and less humid.

1445 Persons Struck By Polio in Two States

By The Associated Press

Infantile paralysis reached into four more North Carolina counties yesterday and was at its highest peak in five years in California.

The number of Polio cases in North Carolina since Jan. 1 was recorded at 830. This was 48 below the 878 cases of 1944, the state's worst polio year.

An aid team sent into the state by the National Foundation for Infantile Paralysis began helping train doctors and nurses in the latest methods of caring for acute polio cases.

In California, 615 cases were reported by the State board of health, through July 17. Thirty-four cases were reported in Pennsylvania during the first half of July.

MARINES WON'T TAKE DRAFTEES

Enlistment Quota Filled For 1949; Other Services Still Flooded by Recruits

WASHINGTON, July 22 (AP)—The Marine corps said today enlistments have been so high that no draftees will be needed for that branch of service in 1949.

The 1949 Marine quota is 36,000 men plus 6,000 18-year-olds.

Officials said after a conference today that volunteers this month already have passed the 4000 mark, and that the Marines will need no draftees to fill their ranks.

They did not estimate how many 18-year-olds had enlisted yesterday, when recruiting of these youths began.

Eighteen-year-olds continued to swarm recruiting offices of all branches of service today, but officials said it would be two or three days before they knew whether they would have to hang out the no-admittance sign.

ONLY 161,000 youths of this age bracket may enlist for one year in the Army, Navy or Air Force, thus avoiding the 21-month draft when they become 19.

Enlistments yesterday when recruiting of 18-year-olds opened was so heavy it was feared they would

Farm Safety to Be Aim Of Week's Observance

Farmers throughout the Pottstown area will observe National Farm Safety Week beginning Sunday in an effort to reduce the national toll of 4300-farm workers killed and 300,000 injured on the job in 1947.

Stressing the importance of the week-long observance, O. C. Bea-

(See editorial, "Farm Fires Are Devastating," on Page Four)

craft, president of the Montgomery County Safety council, yesterday declared:

"If it were possible to send a safety engineer to every farm in the Pottstown area, we might be able to reduce accidents among farm residents to an all-time low."

"Since this is not practical or possible, we would like to do the next best thing—emphasize safety rules."

"Farm accidents cost everyone money. Not the kind you reach down and pull out of your change pocket, but the kind you pay in increased insurance rates, in extra taxes, in business you didn't get because someone in your community had an accident."

"That kind of money cost American citizens and businessmen \$1,050,000,000 in 1947."

TO CUT DOWN on the killed and injured toll traced directly to farm work and the estimated 14,000 non-work deaths and 1,400,000 non-work injuries, Bea-craft yesterday issued a practical list of "don'ts" to be observed on the farm.

Speaking directly to the farmer and farm worker, he warned:

"Don't repair farm machinery while it is running. Machines like corn shredders and tractors can cripple or maim you for life. The minute you save by allowing the machine to run may cost you a lifetime of productivity."

"Don't neglect chains and harnesses. Inspection, repair and upkeep may save your life by preventing them from breaking under heavy strain."

"Don't leave scythes, sickles, or other sharp-edged tools lying around carelessly. It pays to build safe racks for them to prevent serious cuts caused by a falling blade or a careless step."

"Don't chop wood, and kindling in an unsafe manner. A chopping in the Summer season."

New Party Won't Reject Red Votes, Taylor Says on Eve of Convention

PHILADELPHIA, July 22 (AP)—Henry Wallace's third party convention gets going tomorrow with Dr. S. Nowacki, 884 High Street, already openly accepting any votes the Communists want to offer the ticket.

In fact, the issue of Communism in one form or another stalks through nearly all the preliminaries to the formal founding of the "New Party."

It comes up in platform making, committee meetings and news conferences.

AMERICANS FOR Democratic Action called the new party a Communist "tool."

James Leeb Jr., ADA national executive secretary, hurled that charge at platform committee hearings. It stirred up a noisy row.

Rexford Guy Tugwell, committee chairman, barked back that ADA's statement was "intemperate and insincere" and intended to "impugn the motives of the New Party."

The spectators hissed Loeb, cheered Tugwell.

Then, Dr. Joseph Johnson, dean of the Medical school of Howard university, Washington, D. C., a committee member, said:

"I resent very much the appearance of Mr. Loeb before me as a Negro to state that a week ago the ADA won a fight for civil rights (in connection with the Sumner season)."

Cloudburst Hits Pottstown Area

In one of the heaviest down-pours Pottstown has ever seen, more than two inches of rain thundered down early this morning during less than 45 minutes.

The cloudburst, accompanied by mid-thunder and lightning, began shortly after 1 o'clock and had ceased at 1:45 o'clock.

The giant torrent transformed gutters into rivers, lowlands into lakes, and the air into almost solid water.

Auto traffic was slowed almost to a halt as cars, even in the middle of high-back streets, looked as though they were wading fords. Windshield wipers were of little use at the peak of the rain.

Particularly affected were

Red Planes Fire at Targets In Air Corridor to Berlin

BERLIN, July 22 (AP)—Three Russian Yak fighter planes engaged in a target practice maneuver today in the British air corridor. British authorities said tonight. The air line is used by the Royal Air Force to supply Soviet-occupied Western Berlin.

A four-engine York transport signed the three fighters trailing a sleeve-towing aircraft—a common type of target practice—in the Berlin-Bueckburg corridor this morning.

"There is no evidence that the three were shooting at the sleeve while the York was nearby," a British official said, "but they probably were shooting."

The Soviet planes entered the British airway as American planes roared into Berlin with a new record haul of food and fuel.

THE BRITISH military government issued a statement saying the Russians committed two other breaches of flight rules today in the same corridor.

Another York crew saw two Yaks "climbing up in front of him about 100 yards away," the statement said. "The rule is that aircraft shall not approach other aircraft nearer than 150 meters (about 165 yards)."

In the third incident, a York crew saw "a formation of Yaks flying in and out of clouds."

Two days ago the British handed the Russians a "very strong protest" over a flight of Yaks which flew over Gatow airport in Berlin Monday.

Meanwhile, the British military government rejected tonight a Russian offer to supply electric power to a factory in Western Berlin.

A British spokesman said the offer to supply 10,000 kilowatt-hours of power, daily to the A.E.G. turbine, was rejected.

GROUP TO OPEN SEWER LINE BIDS

Council Committee Plans Project to Install Mains Extending Over 3 Miles

Bids will be opened tonight on the installation of 3.34 miles of sewers in the North End, the last large area not serviced by the sanitary sewer system, Borough Manager Dow I. Sears announced yesterday.

Sears said 17,642 feet of sewer pipe would be installed in the area bounded on the north and south by Mervine and Wilson streets, and on the east and west by Adams and Hanover streets.

This is the largest remaining area without sewer service within the borough, he added, although there are a few streets or blocks in other sections still not included in the sewerage system.

The bids for the work will be opened at 7:30 o'clock in borough hall at a meeting of the sewer committee, Sears reported. Several contractors are expected to place bids for the job.

According to the contract for the construction of the new sewer lines, it will be possible to add to, or deduct from, the total amount of pipe to be installed, the borough manager explained.

This will allow the borough to have pipe installed in all built-up sections of the area, and if necessary, to refrain from installing pipe in other unused sections. Parts of the area already have sewer lines installed.

MEANWHILE, sewer construction on Washington street to service the Brookside Homes development was nearing completion yesterday, Sears said. The main sewer line was expected to be completed late yesterday afternoon or today.

Contractors Earl M. Kerstetter and Anthony L. Veach agreed with this estimate, but noted several more days would be required to install the lateral lines leading to the sewer outlets of their houses.

They judged it would be at least a month before water lines and sidewalks were installed, the street was graded and paved, and their homes could be occupied.

Work on the cesspool into which the Washington street sewer will empty has not begun. The pool is expected to be used only for a month until pipe is run through from the main Washington street

Scheduled 3 to 4 Cent Cut Taken By Butter; Meat Reductions Spotty

While butter dropped three and four cents a pound yesterday morning, meat prices here, already lower than those of the metropolitan markets, reflected only a few of the price cuts announced Wednesday.

Butter nosedived from 90 and 91 cents per pound to 85 and 87 as chain stores opened yesterday, but housewives took the price slash calmly. Sales were only slightly above normal and many store managers credited the increase to weekend buying.

The Atlantic and Pacific food store chain made the announcement of both the butter and meat price cuts Wednesday. But, at the meat counter of the local branch, lamb

and veal were the only meats to reflect the slashes.

LEGS OF LAMB dropped from 85 to 83 cents a pound, while shoulders of lamb dropped from 79 to 75 cents a pound. Rolled veal took the other drop, from 69 to 67 cents.

Chuck roasts and prime rib roasts, which dropped sharply on the New York market, already were selling for 75 and 79 cents per pound, respectively, in the local store.

Other chains had received no word of meat price cuts, other than the normal weekend specials, but were watching to see if further price cuts would be reflected here.

FAMILY FORCED OUT BY FUMES

Parents, Five Children Flee Residence as Gas Leaks From Refrigerator

Five children and their parents were forced to leave their home temporarily at 7:55 o'clock yesterday morning when a defective refrigerator began to give off choking, sulphurous fumes.

The family of Gordon O. Drumheller, 621 King street, was routed out only six hours after a South Evans street family also was driven into the street by refrigerator fumes.

Drumheller was returning home from his work at the Firestone Tire and Rubber company when he noticed the acrid odor in the house.

He called his wife and five children, who quickly went outdoors. Drumheller then summoned the Empire Hook and Ladder company. The firemen donned gas masks and carried the offending refrigerator into the street.

NO ONE SUFFERED ill effects from the gas, leading firemen to believe that the leak had begun only a few minutes before Drumheller came home.

The children were Sally, 2; John R., 7; Patricia Ann, 10; Gordon R., 13, and Bebe Ariene, 16.

Fire Chief Richard E. Lindauer, company chief Richard Moser, assistant company chief Larry Romich, and Empire driver Harry E. Yergey made up the rescue squad.

Mr. and Mrs. John J. Koval and their daughter, Margaret, 13 South Evans street, were back in their home yesterday after fumes from a defective refrigerator had driven them out early in the morning.

Mr. Koval said none of the family had suffered any ill effects from the fumes. She believed they were discovered shortly after the refrigerator began to leak and before they could do any harm.

"We are going to get a new refrigerator though," she added.

Telephone Operator, Sergeant in Munich Are Finally Married

FORT MYERS, Fla., July 22 (AP) — An attractive telephone operator and her soldier boy friend in Munich were married by transatlantic telephone today after months of trying to say "I do."

Even today's long-awaited ceremony was delayed for Nancy Carol Ninson, 19, of Landis, N. C., and Staff Sergeant Harlee Waylo Odum, 23, of Wilmington, N. C.

When County Judge Hiram Bryant learned only an Army captain was officiating at the German end of the line, he asked for a chaplain. Thirty minutes later Chaplain Don Hudson, of Sarasota, Fla., showed up to complete the wedding in eight minutes.

MISS HINSON CAME to Fort Myers in April to get married. First, faulty marriage papers had to be shuttled back and forth for correction. Then she underwent an appendectomy. It took two months to set up the telephone arrangements for the wedding.

Everything was all set for the wedding yesterday, but the fiancé couldn't be found. After he was located an Army chaplain walked out of the ceremony, saying he didn't believe the telephone marriage was legal.

Telephone tolls came to \$145. The bride has to wait for Judge Bryant to sign wedding papers from Munich before she can make arrangements to meet her husband in the German zone.

Reading Man Surrenders On Income Tax Charge

PHILADELPHIA, July 22 (AP) — Surrendering to the U. S. Marshall, Ralph S. Kreitz, 47, Reading, was taken promptly today to Federal detention headquarters in New York to serve a 60-day sentence for income tax evasion.

He pleaded no defense in U. S. District court July 14 to government claims he evaded taxes of \$42,953 in 1944 and 1945. The government said Kreitz received \$85,379 in income from pinball and slot machines he operated in Reading.

In addition to the sentence, Judge J. Cullen Ganey levied a \$5000 fine on Kreitz, explaining he was inclined to be lenient because "most of his profits have been put back into places (charities) where they will do a lot of good."

a bushel of learning.—George Herbert.*

Farm Fires are Devastating

EVERY YEAR 3500 persons are burned to death on farms.

Some \$90,000,000 dollars worth of farm buildings, machinery and food crops are destroyed by fire every year.

If you are a farmer, those figures may give you pause.

It's always well to remember Summer fire hazards. There's another reminder during National Farm Safety Week, which is being observed from July 25 to 31.

Pottstown area farmers, especially are urged to observe safety rules this week! Let's cut the accident rate, let's eliminate fires!

IF YOU ARE a farmer, remember that more than 37 percent of all farm fires are started by lightning. Keep your lightning rods in order.

Warm weather means dry hay and grain-fields and the use of more gasoline and oil on farm properties. Fire from a spark or cigarette will strip a ripe grainfield as bare as a barn wall in minutes.

Check your farm for fire safety. Frequent inspections are important. Look over your barn and house wiring, electric fences and electric equipment.

Check your hay for heating which leads to spontaneous combustion. Thrust a pipe into hay in barns and lower a thermometer into it. If it shows 158 degrees watch it carefully; if above 185 degrees start moving it outdoors; if 212 degrees call the fire department. Check silos for heating of ensilage; also fertilizers, some vegetable oils, feed and lime.

Examine machinery. To guard against sparks starting fires. Make safety rules for smoking and see that they are enforced. Dam a stream or dig a pond for emergency water. You may save life and property by these fire prevention measures.

What Are the Good Things?

ASK our neighbors or fellow workers the question, "What is happiness?" and you'll probably get as many different answers as there are answers. Few people agree as to what happiness is, or where to find it.

In short, happinesses are many. No formula or aphorism which includes them all is easy to discover. In fact, past definitions of happiness should be regarded with suspicion.

For example, here is one that seems to fill the bill, and yet falls short, "Happiness is the gift of seeing the good things of life in such bold relief that the rest is unimportant."

Very good, until we ask (as a child might ask), "But what are the good things of life?" There is where we'd disagree.

Indeed, this was Socrates' innocent question to the youthful Plato ages ago. Where can one find the good things of life? Young Plato thought it strange a man as old as Socrates did not know the answer. Socrates knew what was good to him, but he also knew that one man's meat can be another man's poison.

We haven't got the answer; we simply ask. Each of us must settle in his own mind and heart what the good things are, and pay the price to get them. For, obviously, when what seems good to us is gone, then happiness is gone.

And if what seems good to us is precarious and fleeting, then our happiness is at the mercy of a whim. The truly happy live by and for things which neither time nor death can touch.

The VA Restrains Itself

THE VETERANS ADMINISTRATION got around to some long-overdue restraining of a few of its subsidized "educational" activities the other day. Hereafter, veterans will have to learn the art of taking different potable liquids and combining them into a tea-time concoction at their own expense. VA courses in "advanced bartending" have been canceled.

Similarly, GI boys and girls will have to pay their own tuition for training in "personality development" from now on. No longer will a proud and beaming and rich Uncle Sam subsidize such activities. Other casualties of the new order are dancing, sports and athletics.

No doubt, this curtailment of "educational" opportunities will be upsetting to the more devout students of the esthetics. And certainly a grateful citizenry owes its wartime defenders the right to catch up on the education they missed at public expense. But we don't know of any service man who made any sacrifice that cocktail-shaking and rumba-dancing will repay.

PUNKIN CORNERS,
July 22.

Editor, The Mercury,
Dear Sir 'n' Brother:

Wal, I see by the papers where the snail is the smartest living thing in Pottstown. The snail carries its dwelling on its back. It knows about the local housing shortage.

There's bad news for cats in another news story. The number of dogs in the United States has increased to more than 20,000,000.

And say: The worst thing about this sticky weather is that it looks like for the next few weeks we're really stuck with it!

Hopin' you air the same,

READERS SAY:

Brookside Meets Crisis; Defends Garage Builder

By MERCURY READERS

Letters must not be more than 250 words long, or current topics and must not involve personalities. Writers must sign their names and give street address as evidence of good faith but these will be withheld from publication on request. It is a criminal offense to sign another person's name. Poetry, and communications advocating the election of political candidates are not acceptable.

Dancers Score a Victory

To the Editor: The Brookside Country club has met a crisis and faced it bravely.

There was just not enough room for members to dance during crowded holiday dances. They found that members were actually jostling each other while they tried to navigate around the floor on holidays.

Everybody knows that it is impossible to have a good time dancing on a holiday if you are being constantly jostled.

The situation was untenable and the board of governors faced it wisely. Build an addition to the dance floor, they decided.

There was some dissent. Several members thought building costs were too high. Other heads prevailed and, thank God, Brookside will undoubtedly get a bigger dancing floor.

No longer will members have to bump each other at the holiday dances. The day of the wide-open Viennese waltz and the unfettered jitterbug will not be long in coming to the Brookside dance floor.

Brookside has solved another housing problem in the community, probably as pressing as any that exists today.

Our hat is off to you, Brookside. You have won the hearts of the community.

Pottstown SCHEMO

Using Only Old Materials

To the Editor: Better late than never, this is in reply to "Homeless" (Garages Instead of Homes," Readers Say, July 7) regarding the block of garages being built back of the North Spruce street development.

Perhaps Homeless doesn't realize Contractor Warren Zern is building these garages. Zern has done as much as any other contractor in Pottstown to alleviate the critical situation which exists.

The garages referred to are not on a particularly choice plot of ground and are being constructed of concrete block, scaffolding and re-used lumber.

The lumber, I have been informed, could not possibly be used in the construction of houses. Furthermore, Zern's employees only work on the garages between other jobs. It will be convenient for the people living in the development to have garages.

I wish to take this opportunity to thank Zern and his associates publicly for making available attractive houses at a reasonable rental rate for those of us with children.

'Heavy Eater' Not Eating

To the Editor: I would have answered William A. Marx's letter, sponsor, "Knows His Food and Likes It," Readers Say, July 21, except that I am just recuperating from an attack of acute indigestion, incurred after I ate a light lunch in one of Pottstown's better slop houses.

The gentleman says out-of-town restaurants don't compare with Pottstown's. He must have eaten in one of the more forsaken spots in Mississippi or Alabama, for any of the towns around Pottstown have restaurants that make ours seem even worse than they actually are.

Mr. Marx says he has had cooking experience. Heaven preserve us from cooks of his ilk, for they do everything but poison us outright.

Some of the meals I've eaten in this hamlet of Pottstown remind me of the old Army cook's war-cry — "When it's burning it's cooking, when it's smoking it's done."

Pottstown HEAVY EATER

Let's Make It Rain

To the Editor: I, for one, am sick of this weather. It's stinking hot every day and every afternoon the clouds that look like they are building up for a nice cooling storm float by to some other community.

Why should some other community get the nice cool rain and not us? (No, wise guy, I can't get out of town just because I don't like the weather.)

I read in the papers that all you got to do is take some dry ice up in a plane and spray it on some clouds and you got rain.

Now I got a suggestion for borough council. Instead of sitting all the time on their dead back sides doing nothing, why not get a plane and one of the wild blue net around here and some dry ice and go out and get this town a shower every afternoon about the time we need it most.

If we can't get anything else we can still get cool.

Cute Babies Passed Up

To the Editor: Your photographer picked out six from the 76 babies at the playgrounds the other day to make their pictures for The Mercury. I suppose that's all right, because you wouldn't have had all the space to print pictures of all of them.

I was at the playground when he was making the pictures and I saw some cute little shavers who would have looked much better in the paper.

My boy, Ricky, who won third prize a year ago in a magazine baby contest, was there, but he didn't even get a glance from the photographer. That doesn't make a bit of difference to me, because I don't think children should become accustomed to too much publicity at that age. Psychologists say it isn't good.

I only mention this because of the hard feelings it must have created when the photographer picked out only the few he thought were cute. He probably hasn't had much experience with children or he would have had better judgment.

Call for Congress Startled Truman's Own Advisers

By RAY TUCKER

WASHINGTON, July 22.—The men at Washington who were most startled and upset by President Truman's convention call for a special Congressional session to discuss high prices and public housing were the members of the White House Council of Economic Advisers. He sought advice from his political managers, especially the two Rosenmans, rather than from the agency which Congress created as his official mentors in these matters.

In fact, at the moment he announced his plan to "put the Republicans on the spot," Dr. Edwin G. Nourse's experts were engaged in naming a mid-year report expressing general satisfaction with current economic conditions, forecasting one or two years of high economic activity and counseling against the very anti-inflation program which he will submit to Capitol Hill.

They were to have cautioned against any sharp, deflationary move at this unsettled moment lest it precipitate unemployment, business uncertainty, wage drops, a reduction of purchasing power and a general downward dive like that which resulted from similar federal policies from 1921 to 1922.

SPENDING: As against Mr. Truman's expected demands for billions for housing, health, education and further minimum wage increases, they had planned to warn against excessive Federal spending. They intended to couple this proposal with a suggestion for government-industry-labor co-operation designed to prevent strikes in such key industries as steel, coal, railroads, construction, etc.

Nor did President Truman consult John W. Snyder, Secretary of the Treasury and his Missouri crony. The latter has stubbornly resisted Federal Reserve board's demands for further curtailment of credit by government action. Indeed, this attitude lies behind his feud with Martin S. Eccles, former head of the FRB.

Even as Mr. Truman was formulating his political strategy, Mr. Snyder was writing to Joseph M. Dodge, president of the American Bankers Association. In that letter the government's chief financial officer appealed to bankers to fight inflation by "voluntary" curbs on credit and a sharper scrutiny on applications for commercial and real estate loans. There was no mention of the drastic, ten-point, anti-inflation program advanced by the White House.

PEAK: The original Nourse report, which will probably be revised to accord with Mr. Truman's unexpected move, was to have said that the inflationary movement had reached its peak. Except for food, and that it would eventually be corrected by such natural causes as increasing production. Most private and public economists concur in this opinion.

Bumper corn-wheat crops, so the mid-year summary would have said, should eventually lower the cost of meat to more reasonable levels. The market price for those grains is expected to fall to such an extent that it will profit the farmer to raise more and fatter cattle and hogs.

OPTIMISTIC: The report was also to have offered the hope that a larger output of heavy and consumer goods—a trend borne out by all indexes save in a few fields—would make the current third round of wage boosts the last for some time to come. Lowered living costs will eventually increase the take-home pay.

In short, the White House crystal-gazers were working on a fairly optimistic basis, for President Truman. Its basis, these was that now was the time for nobody to "rock the boat," and that warning was to have included government as well as industry, labor, finance and consumers.

It might well have proved an excellent campaign document for the White House incumbent, had he not chosen to accept the political advice of Judge Samuel I. Rosenman and his extremely able wife.

The Worry Clinic

By DR. GEORGE W. CRANE

JOAN, 29, is the erring wife whom I described in yesterday's article.

"Dr. Crane, I gave my husband the copy of your bulletin on 'Sex Problems in Marriage' when I got home yesterday afternoon," she announced over the telephone.

"He read it and then he was so indignant he tore it into bits. He said the things you mentioned weren't true, and he had never heard of such ideas in all his life."

"But they are true, Dr. Crane, and you might be interested in knowing that after I went to bed last night, my husband furtively dug the pieces out of the wastebasket and pieced them together again."

"He doesn't know I am aware of this, but I had wondered why he didn't come to bed, so I stole to the head of the stairs to see what had detained him."

"And there he was at the library table, fitting the fragments of paper together like a jig saw puzzle! Why are men so stubborn about admitting their errors?"

THIS ISN'T the first time that indignant persons of both sexes have torn up my educational bulletins and various psychological rating scales.

Whenever this reaction occurs, I know that the information hit the very individual who needed it.

But because he was hit hard, he grew angry and tore my sex bulletin to pieces. That was to protect his male pride.

However, he recognized the essential truth of my indictment, so he tried to salvage the bulletin after he thought his wife was asleep.

As a rule, I do not like to educate the husbands through their wives, for husbands resent being taught marital deportment by their wives.

In this intolerable situation, Joan's husband damned my bulletin, harshly denied the truth of the scientific statements contained therein, and publicly tore it to bits in her sight.

This behavior he deemed necessary to protect his masculine vanity. He felt he dared not admit his own errors before her, although secretly he knew he must avail himself of the knowledge in that bulletin or this Don Juan with whom she was so infatuated, would completely break up his home.

Unfortunately, the Don Juans gladly avail themselves of all the scientific psychological information they can procure, for they know very well that people react favorably to the right approach and the correct technique. But many good husbands stubbornly ignore these obvious aids to marital bliss.

EXPERIENCE OF NO AVAIL

Hollywood

By EDITH GWYN

HOLLYWOOD, July 22.—It's worse than a shame — what's happened with Judy Garland who is so very ill. The picture, "Easter Parade" which she and Fred Astaire recently finished, and now cleaning up wherever it's playing, made her doubly glad that they were to be teamed again in "The Barkleys of Broadway" from which Judy has just had to withdraw because of her complete nervous collapse—her third in the past three years! This time, it will be months before the Garland gang can return to the screen. And it's a great pity. She's so talented and so very popular where it counts most — at the box-office. Judy has been replaced, as you may know, by Ginger Rogers in "The Barkleys."

Freddie Astaire balked at this at first, because he and Ginger have been planning an independent picture together and he figured this might take the "edge" off it. But when Metro offered him Ann Miller (who towers over him) as an alternate partner in the film, he gave in — but quick!

STEWART GRANGER, the British start, is at this moment all set for a new movie, a play and a wedding — all with Jean Simmons, the lovely Ophelia to Laurence Olivier's Hamlet. . . . Ran into Virginia Bruce in the corridors of the NBC radio station and a happier gal we've never seen beaming. She was excitedly saying, "I've got him back for keeps (her spouse Ali Ipar, that is) — no visa, no quota number — no nothing!" (Virginia has been trying for months to get Uncle Sam to let her Turkish groom back into this country — and has been in Washington for weeks accomplishing just that.)

WE NOTE THAT RKO is laying aside "Mourning Becomes Electra" because of icy reception, etc., etc. Too bad they didn't lay it aside before they ever released it in the first place! . . . We lose Ida Lupino (and Collyer Young too) but isn't all their on-again, off-again publicity about their wedding date and plans getting in your — hair?? . . . Madeline Carroll, with George Sanders have been a surprise duo around several spots lately. . . . Columbia is hot after Jimmy Cagney to be the male star of "Born Yesterday," the Broadway smash success which goes before the cameras shortly. Cagney, vacationing at his farm in Martha's Vineyard back east, is reading the script now — and the studio is pining for his answer.

ANNE BAXTER, introduced us to her Papa up at Atwater Kent's Fiesta, and sohelpus, if her husband, John Hodiak hadn't been standing alongside her, we'd have screamed, "Your Father — or your father???" Pa is so young and so attractive. Esther Williams was telling Sonny Tufts she'd like to do a picture with him "because he's so tall." But boy! He is also sooo thin we hardly recognized him.

Ilona Massey and Jay Kurtz have decided on an August date for their wedding, but don't bet Ilona won't change her mind again. . . . Producer John Wildberg and screen actress Raven McBride are very cozy. . . . A police sergeant will always remember Nancy Chorem of the \$100 "call girl" case. When he tried to arrest her she hit him over the head with the heel of her shoe, leaving a large bump on his noodle. . . . The Johnston office nixed "Blood and Guts" as a title for the film version of General Patton's life. . . . Frank Marlowe, the comedian appearing with Jack Benny at the Palladium, is one of those fabulous London hits. And he's a virtual unknown.

SCHOOL BUILDINGS — A school building program to cost \$220,000, of which 55 percent will be paid by the school district, has been authorized by the School board. PWA will provide 45 percent of the cash. John K. Klink voted against the plan. Those supporting it were C. S. Stouffer, Elmer E. Saylor, Larry Ogilvy, Leroy Johnson, Leonard Witwene and Ralph P. Holloway.

PWA GRANT—A grant of \$28,000 has been made by the Public Works Administration to aid in construction of a new water filtration plant in East Greenville. The project will cost \$64,000.

SHIBE PARK TRIP — Through the generosity of the Elks and The Pottstown Mercury, 500 boys will take a trip to Shibe park via car to witness the Athletics-Boston baseball game.

MYSTERY — You name it—but even then, you can't have it.

"It," which belongs to Mrs. Mae Weller, 47 South Chestnut street, Boyertown, is a flower, variety unknown. Mrs. Weller knows she has had it in her possession for several years but that this is the first time the plant has ever bloomed.

Its Dresden china effect leaves even the most expert fooled. One flower is blooming off a long circling stem. The flower looks like a burst of small white five-pointed stars, all emanating from the stem. Each star, about one-half inch across, is pure white in color and is centered with a tiny white five-pointed star with a dubonnet center. Tiny stars also are found on the back of the larger white ones.

The leaves of the plant resemble those of the rubber family. There is another bud on the vine and Mrs. Weller said she will watch it carefully to see it unfold.

So far, no-one has been able to identify the plant.

MRS. GEORGE MOTTO, of 12 East Second street, is seeking the aid of a Pottstown entomologist (bug collector) in identifying a strange little beetle she found in her back yard and now is keeping in a jar to see what develops. The bug is about three-eighths of an inch long, with a dark brown back ridged like a tortoise shell. It has a yellow hood with a round black crest in the center. Any ideas? GIVE AWAY DEPT. — William Thomas, Pottstown RD 2, phone Pughtown 3461, has seven puppies, 7 weeks-old, he'll give away to first callers. There're five male and two female dogs.

Jinxed for Sure Lad Knocked Down Thrice By Bicycles

George Everett Leighton Jr., Royersford lad, probably thinks by now that bicycles hold a grudge against him, or that maybe he attracts them.

The little fellow, son of Mr. and Mrs. G. Everett Leighton, 367 Walnut street, Royersford, had the last bandage removed yesterday, following the third time that he has been struck down by a bicycle ridden by another boy.

He was hit earlier in the week on Myrtle street, at the rear of his home and felled to the ground. Although not seriously injured, he received a bump on the top of the head. Dr. R. K. Glocker placed a clip on it to heal the wound.

Three years ago, George Everett was hit in Atlantic City, N.J. A year later he was struck on Myrtle street and now he is probably convinced that what happens twice shall happen thrice. This week's accident should be the last — he hopes.

Inquest Arranged In Youth's Death

A coroner's inquest into the death of Garrie Lee White, seven-year-old Spring City boy who was fatally injured when he darted into the side of a moving truck on North Main street, Spring City, Monday morning, will be conducted in Spring City borough hall Tuesday night at 8 o'clock.

Cooper T. Bishop, Chester county coroner, completed arrangements for the inquest last night. The boy died in Phoenixville hospital Tuesday at 12:12 a. m.

Two Cases of Measles Reported in Royersford

Report of Clarence Foreman, Royersford health officer, for a week ending yesterday showed two cases of measles and one of chicken-pox, as follows:

Carol and Barbara Bechtel, nine-month old twins, measles; Gretchen Herpolshever, aged three, chicken-pox.

Spring City Sailor Completes Training

Lloyd Gracey Jr. is home on a ten-day leave to visit his parents, Mr. and Mrs. Lloyd Gracey Sr., 72 Central avenue, Spring City, after having completed a ten-week training course at the U. S. Naval Submarine base, New London, Conn.

Before going to New London, he served at the Great Lakes Training center, Ill. He had been ordered to report to Mare Island, Calif., July 25.

The youth's father served many years in the Navy, having been in both world wars, much of the time on submarines.

Police Group Favors Women's Auxiliary

Upward of 60 members and guests of Chester County chapter of the Fraternal Order of Police attended a monthly meeting as guests of Liberty Fire company, Spring City, in the local firehall Wednesday night.

A roast beef dinner was served by the Ladies' auxiliary of the fire company. Fred K. MacInnis, Phoenixville police chief and president of the county group, conducted the meeting. Reports of committees were heard and the group discussed police legislation, pension funds and wage and hour bill. The chapter went on record as being in favor of a women's auxiliary.

Dr. C. E. Moser and Council W. Kenneth Rothermel, both of Spring City, were admitted as advisory members.

DEATHS—FUNERALS

Funeral services were held Wednesday afternoon at 1:30 o'clock for MRS. HARRY E. GERLACH, 68, LANCASTER RD 2, mother of Harry K. Gerlach, supervising principal of Spring City schools. Mrs. Gerlach died Monday morning at 12:15 o'clock at her home, following an extended illness. She was a member of Mountville Church of the Brethren.

Surviving are her husband and the following children: Eva G., wife of Raymond Hoffman, Lancaster RD; Ralph K. Gerlach, Mountville; Harry K., Lancaster RD 7, and Anna Ruth, at home.

Hands From Across the Sea

International foster parents' plan chairman, Mrs. Edna Blue presents to Albino Perron, 9, of Milan, Italy, a pair of artificial hands made especially for him. The hands were paid for by the boy's American foster parent, opera star Lilly Windsor. A war orphan, Albino lost both his hands when the Italian city became a battleground.

Philadelphian Re-elected Head of Police Group

READING, July 22 (AP) — Fred W. McCallum, of Philadelphia, was re-elected president of the State Fraternal Order of Police at the closing session of the organization's conference today.

Other officers named were James Dougherty, of Pittsburgh, vice president; John D. Coleman, Harrisburg, financial secretary; Frederick W. Carpenter, Lebanon, recording secretary; William T. Doll, Reading, treasurer; and Michael Kuvinka, Monessen, conductor.

The Hawaiian islands were discovered by Capt. James Cook in 1778.

Russian Grenades Used By Koreans, Army Claims

SEOUL, Friday, July 23 (AP)—Russian hand grenades were used by North Koreans in the July 19 attack on U. S. soldiers near the American-Soviet occupation boundary, the Army announced today.

One American soldier was killed, five were disarmed and a jeep was stolen. It was the first fatality in several incidents along the line dividing north and south Korea.

FARM SAFETY —

block can keep your hand or foot intact.

"Don't approach animals suddenly. A horse or cow frightened by a sudden approach can become a killer. A friendly word or pat reassures them and keeps them calm."

"Don't fail to inspect hand-rails, ladders, well covers and unprotected chutes regularly to prevent falls."

"And, above all, don't do hazardous jobs at the day's end when you are tired, or in poor light. The job usually can wait, but can you put off death or injury?" he asked.

NOTING THAT falls and fires cause most of the deaths and injuries in the farm home, Bearcraft went on to warn the farm wife:

"Don't use kerosene or gasoline to start cooking fires. An explosion may result."

"Don't allow broken stairs and banisters to remain unrepaired. A job that may save your life is more important than a clean kitchen floor."

"Don't overload extension cords with too many electric appliances and don't neglect frayed insulation. Sparks and short circuits are dangerous."

"Don't store naphtha, benzene, or other cleaning fluids indoors and use them only in well-ventilated rooms."

"Don't allow rubbish, particularly oily rags, to accumulate out of the way fires. Spontaneous combustion does not heed a match."

Bearcraft remarked that the same rules apply to the farmer in his barn as to the wife in the home. There is no such thing as a small fire on a farm, he said. In a wooden barn filled with hay or straw, all fires are big ones.

He suggested that farmers take a few minutes regularly to check lightning rods, electric wiring and electric fence circuits, and to make sure oil lanterns, if used, are placed or hung in the safest possible place.

the Democratic party platform."

He said this was "an insult to every Negro" because just getting words into a platform was not accomplishing anything.

Taylor said he would accept the votes of anyone. He said he renounces and denounces Communists, but there is a difference between Communists and Communist votes. He said he isn't renouncing votes of monopolists, either, although he doesn't expect to get any.

He said no, he would not concede that Communists are helping to make party policy. He said he doesn't know of a single Communist engaged in third party work.

DRAFT BOARD —

(Continued From Page One)

the U. S. Army ground forces, M/Sgt. Francis J. Vensel, of the Pottstown U. S. Army and Air Force recruiting office, announced yesterday.

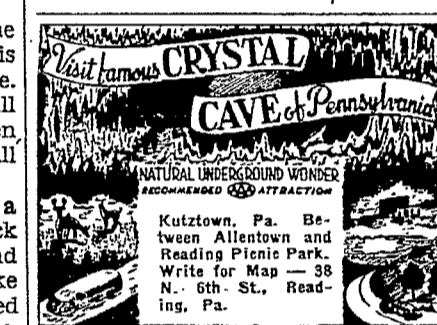

Under the draft law, men who sign up for one year with the armed forces must also sign up for a longer period of time with the reserves to avoid the draft later. If they are conscripted, they will have to serve a 21-month period in uniform.

Sgt. Vensel, noting that 25-year-olds will be drafted first, said these men probably will have completed almost all of their service by the time they would have been drafted.

Those who enlisted were Frank D. Melles, 18, 1404 Cherry lane, Richard T. Rudy, 18, 312 Diamond street, and Irvin W. Mohman, 18, Nelson L. Hoffman, 19, Ronald R. Wanner, 19, and Donald L. Wanner, 19, all of Pottstown RD 4.

RELIEF PROJECTS OPPOSED

GENEVA, Switzerland, July 22 (AP)—The executive board of the emergency international children's fund tonight rejected a \$5,000,000 relief project for Latin America and the Middle East.

YOUTH DROWNS —

grappling hooks, and had one of her Scouts summoned D. Glenn Riggle, park superintendent.

As grappling efforts failed, ambulances of the Good Will Fire company and of St. Joseph's hospital, in Reading, were called to the camp.

They were summoned too late, however, and arrived after Staverosky's body had been recovered by Boy Scouts, whose camp is along the lake, approximately a mile from the Girl Scout camp.

After the body was brought to shore at 5:15 p. m. bystanders applied artificial respiration for one hour and 25 minutes although the tall, dark-haired youth apparently was past recovery.

The boy's body was brought up 100 feet from shore and approximately 60 feet from the dock, within 20 feet of where he had been seen last.

He was pronounced dead at 7:40 p. m. by Berks county deputy coroner Harry T. Carson, of Birdsboro, who issued a verdict of accidental death by suffocation due to drowning.

THE REV. JOHN D. Taplich, rector of St. John's Catholic church of the Greek Rite, where Staverosky was a member, came to the lakeside to administer extreme unction.

Then, the youth's body was taken to a funeral home at 238 Beech street. Funeral arrangements will be completed there today.

SWIMMING FROM the Camp Wood Haven dock is restricted to camp personnel, since the area is rented from the State by the Berks County Council of Girl Scouts.

The council permits the dock's

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes
Flush Out Poisonous Waste

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

use by Girl Scouts, Boy Scouts, and Campfire Girls and then only under the supervision of waterfront counselors.

The tragedy at the lake was investigated by Trooper Levan O. Hoover, of the Reading State police barracks.

Staverosky was the son of Mr. and Mrs. Michael Staverosky, of 32 West Main street, South Pottstown. He enlisted in the United States Navy the past Wednesday and would have been called to service with a construction engineering group next Thursday.

Born in Pottstown, he spent most

of his life in South Pottstown, where he attended elementary and second schools.

During his four years at North Coventry High school, the popular Staverosky played on the varsity football, basketball and baseball teams.

The lad was considered one of the school's outstanding athletes. He belonged to the Varsity club, a group of students who had received letters for their sports activities.

He also had belonged to the ping-pong and quail clubs at the school. In addition to his parents, he is survived by a brother, R. David, and

a sister, Carol Ann, both at home, and his maternal grandfather, Andrew Leck, Sr., of 10 River road, South Pottstown.

DONOVAN IN ATHENS

ATHENS, July 22 (AP)—Maj. Gen. William J. Donovan, wartime chief of the U. S. Office of Strategic Services, arrived today to continue his investigation of the unsolved murder of U. S. Correspondent George Polk.

Model NA-8
PRICE \$330.75

Whether you live in the city, town or country, you can enjoy frozen food any time you want it. Just reach into your spacious General Electric Home Freezer and choose what you want.

Imagine having delicious strawberries in January or game food any time of the year . . . freezing fresh fruit pies and other delicacies many months in advance. Meat, frozen when fresh, remains fresh and flavorful for many months. The delectable freshness is retained, and is safely protected at ZERO temperature.

A General Electric Home Freezer is a time-saving convenience, with fewer trips to the market or to your locker plant; is a labor-saving convenience because frozen food is so easy to prepare for the table.

TWO MODELS
TO CHOOSE FROM

The NA-4, four-cubic-foot model, holds up to 140 pounds of frozen food.
The NA-8, eight-cubic-foot model, holds up to 280 pounds.

- Handy wire baskets provide convenient storing of frozen food packages.
- A warning light on the NA-8 indicates a current interruption or an abnormal temperature rise.
- Positive action latch.
- Counterbalanced lid.
- Interior depth within reach of even short persons.
- No. 1 dial position is set for zero degree F. Lower temperatures may be selected.

Hungary Watched On News Freedom, Marshall Declares

WASHINGTON, July 22 (AP) — Secretary of State Marshall told Communist-run Hungary today that free peoples everywhere will watch to see whether Hungarians are allowed to listen to U. S. news broadcasts.

"Freedom to listen has become a cardinal requirement in the modern world," Marshall said in a note to the Hungarian government.

The note was the second from the United States on the subject. Hungary had filed a protest against a charge made July 9 by Assistant Secretary George V. Allen that Hungarians listening to State department "Voice of America" broadcasts were being persecuted. The second U. S. note answered that protest.

HUNGARY DENIED there were any such legal or police restrictions but said the police "will detain and prosecute anybody who incites against Hungarian democracy."

Marshall observed that the protest indicated Hungary intends to give effect to the "freedom to listen" principle. He added, however, that "the American public has gained a contrary impression regarding the Hungarian government's attitude on this point, not only from reports received from Hungary but also from the tenor or statements appearing in the Hungarian press itself."

In the first American note, Allen said the State department has been advised that Hungarian authorities "are carrying forth what appears to be a systematic campaign to frighten the people of Hungary from listening to the news broadcasts and commentaries on the Voice of America." He said the measures took the form of arrests on charges of "inciting against Hungarian democracy."

The Hungarian charge d'affaires said in the protest that Allen's charge was based on the arrest of persons who spread a rumor that atomic bombs would be dropped on Hungary in a few weeks.

Wins Decree

Hollywood screen starlet Janet Leigh is shown in Los Angeles shortly after she was granted a divorce decree from Stanley Reames, former orchestra leader. They were married in Stockholm, Sweden, following a romance that began when they were students.

RIDGE ROAD

Mr. and Mrs. Stanley Welton, of West Port, were weekend guests at the home of Mr. and Mrs. Lloyd Graham, Ridgeville. Mrs. Graham's mother, Mrs. William Bisbing, of York, is on an extended visit with her son-in-law and daughter.

EAGLE - BYERS

Walter A. McCordell, corr. Phone 2263. Life McDonald delivery Eagle 43-4-22.

At Windsor Baptist church recently worship services were directed by the Rev. Floyd Van Valkenburg, pastor, who spoke on the topic, "But the First of the Spirit Is Love." The choir rendered a selection, "Pilot Me O Gracious Savior." Holy Communion followed the regular service.

Mr. and Mrs. Paul Hofferker and family, of Seven Stars, were recent evening callers at the home of Mr. and Mrs. Norman Frank Jr. at Byers.

Mrs. Joseph B. Taylor was among the Chester county Republicans who attended the Democratic National convention in Philadelphia recently. She was the guests of friends at the last session.

Misses Marthy Funderwhite, Lena

Frame, of Eagle; Marjorie Connors, of Lionville, and Christine Roberts, of Exton, are spending a week at Ocean City, N. J.

Mr. and Mrs. Milton Hofferker, of Phoenixville, spent a week visiting with their son-in-law and daughter, Mr. and Mrs. Norman W. Frank Jr., and family at their farm in Byers.

Mr. and Mrs. Clarence E. Eastwood, of Norristown, were recent callers on their cousin, Thomas M. Eastwood, at his residence in Byers.

Mr. and Mrs. R. L. Buckwalter, of Lancaster, parents of Mrs. Floyd Van Valkenburg, were guests recently of the Rev. and Mrs. Van Valkenburg at the Windsor parsonage in Eagle.

Mr. and Mrs. Chester Weller, of Green Tree, and Mrs. Edwin Weller, of Philadelphia, were recent dinner guests of Mr. and Mrs. Clarence Rice at their residence in Byers. The party included Mr. and Mrs. Joseph Smiley.

Mr. and Mrs. Harold MacCleary and daughter, Sandra, and Mrs. Emma MacCleary, all of Elam, Del., were recent callers on Walter A. McCordell and family at their home in Byers.

Mr. and Mrs. Oscar Darlington motored to Norristown recently and called on Mr. and Mrs. William Shilady at their residence.

Miss Janet Scheetz, who is spending her vacation this Summer with her parents, Mr. and Mrs. Thomas Scheetz, at Eagle, motored to Newtown recently and spent a few days with her brother-in-law and sister, Mr. and Mrs. Kenneth Halderman. The Women's mission circle of Windsor Baptist church held a successful bake in Griffiths store in Downingtown. Mrs. J. Wayne Pollock, Mrs. Ralph Essick and Mrs. Oscar Darlington were in charge.

Mr. and Mrs. Warren Woodward, of Spring City, were noticed in the congregation at Windsor Baptist church recently. Mrs. Woodward is

the former May Styer, who lived in the vicinity of Eagle for many years.

Mr. and Mrs. Thomas Scheetz, of Eagle; Miss Helen Hoffman and Arnold Hoffman, of the Eagle Hunt farms, motored to the home of Mr. and Mrs. Kenneth Halderman at Newtown for a visit. A picnic supper was served. Miss Janet Scheetz, who has been a guest of her sister, Mrs. Halderman, returned home with the party.

Walter J. Gordon Jr., grandson of Mr. and Mrs. Walter Gordon, of Byers, now living in Downingtown, was featured a surprise party recently at his residence. Gordon, who celebrated his 19th birthday anniversary, was the recipient of many greeting cards and gifts. One of the features of the occasion was a hot dog and marshmallow roast on the lawn. Those from Byers who attended were: Mrs. Walter Gordon, his grandmother; Mr. and Mrs. Charles Wertz and son, Teddy;

Doris Gottier, Ernest and Dick Davis, Mr. and Mrs. Albert Dubosq and sons, Francis and James and Miss Alma Jane Thompson.

Richard Davis, son of Mr. and Mrs. Ernest Davis, of Byers, spent several days recently visiting his aunt, Mrs. Charles Forbes in West Chester. While there, he attended a Sunday school class picnic at Lenape given by his host.

Charles Wertz celebrated his birthday anniversary recently with a dinner party prepared by his wife at their home. Among those attending were his mother, Mrs. Emma Wertz and John Wertz Jr.

Charles Wertz Jr., son of Mr. and Mrs. Charles Wertz, observed his third birthday anniversary recently at a party at his home. Two large birthday cakes were served to the following guests: Ricky Wheatley, Norma and Wayne Rand, Dickey and Ernest Davis, Mrs. Walter Gordon, Mrs. Emma Wertz, all of Byers; Shirley and Lois Wertz, of Font;

Alma Jane Thompson and Francis and James Dubosq, of Eagle.

Mr. and Mrs. David Rogers, of Parksburg, Mrs. Minnie Seabold, of Eagle, and Miss Alice Gordon, of Byers, have returned home after a ten-day motor tour visiting relatives and friends in Brookfield and Meadville, Mo.

Raymond Garvine, son of Mr. and Mrs. John F. Garvine, of Font, was pleasantly surprised on his birthday anniversary recently when several friends dropped in to help him celebrate. The evening was spent in playing cards. Those present were Sara Funderwhite, Barbara Trego, Alice Trego, Aletha Hershey, Betty Jane Frame, Dorothy Underwood, Jane Wallace, Shirley Garvine, Carroll Garvine, Alan Dewees, Jack Trego, Harold Trego, Robert Trego, Curtis Jones, Dick Moore, Leonard Frame, Myron Hershey, Walter Trego, Norman Gottier and Theodore Gottier.

Mr. Norman C. McCordell, of West Chester, who has re-enlisted in the army, will leave for his headquarters at Fort Benning, Ga., some time this week. He was feted at a party given in his honor recently in the Masonic hall at Byers, by the Eagle baseball club, of which he has been a member. He was invited to attend a business meeting in the hall, which was a planned surprise. Dancing to the strains of Guy Mercers' orchestra was enjoyed by all. Mr. McCordell, who served as captain in World War II, was presented with a pen and pencil set, after which he responded with a speech.

Following the dancing, iced tea and home made cake was served by the wives of the club members. Seventy-eight were present, including those from West Chester, Lionville, Downingtown, Eagle, Byers, Anselma, and Chester Springs.

Cuban Dancer Sought In Mexico City Slaying

MEXICO CITY, July 22 (AP) — A Cuban dancer known as Carmen was sought today by police for questioning in the slaying of Rogelio Hernandez Vega, former second (sub) chief of Cuba's secret police.

Hernandez Vega was found shot to death in the Cuban consul's office the past Friday.

Mrs. Hernandez Vega and Cuban Consul Raul Vianelo told police three gunmen entered the consulate and fired. Police said they had picked up three men for questioning but now were unable to find the widow and Vianelo.

Police said the missing dancer "has provided love interest" in the case.

Truman Certain of Peace; Gets Clay Report on Berlin

WASHINGTON, July 22 (AP)—President Truman expressed belief today that prospects for peace are excellent. He threw his full support behind efforts to work out a peaceful settlement of the Berlin crisis. Then, in a meeting of the national security council, he received a first hand report from General Lucius D. Clay on conditions in the Soviet-blockaded German capital.

At a news conference, the President not only endorsed the program of Secretary of State Marshall for exhaustive use of diplomatic negotiations and other measures to try to break the deadlock over Berlin, but also indicated the belief that they had a good chance of success.

In response to a question, Mr. Truman said that he thinks the chances for world peace are good—in fact excellent. He said he was in complete agreement with the statement Marshall made on the subject yesterday. Marshall had said that the United States would exhaust every effort of diplomacy to find a peaceful way out of the crisis but that it would not be coerced or intimidated.

THE MEETING OF THE security council, which followed closely upon the news conference, was held in the office of Mr. Truman who is its chairman.

The council includes in its membership Secretary Marshall, Secretary of Defense Forrestal and the civilian heads of the Army, Navy and Air Force departments. Their session with Clay lasted for one hour and fifty minutes and President Truman was present for about an hour of that period.

Afterward, White House Press Secretary Charles Ross told newsmen:

"General Clay simply talked to the group about the situation in Berlin."

WHEN HE WAS ASKED whether the session foreshadowed any change in American policy, Ross replied "The meeting foreshadowed nothing."

"No conclusions can be drawn from it," he continued. "The council simply listened to General Clay. General Clay himself is going to hold a press conference tomorrow."

When Clay left the White House, he told reporters that he had reported on the German situation and that he would take off by plane to return to Berlin tomorrow night.

While the influence which Clay may have on American policy thinking about the Berlin situation is not yet known, it seems certain that his ideas will be carefully considered by Secretary Marshall in working out with Britain and France the draft of a new note which the Western powers were expected to send to the Soviet government within a few days.

One point now under consideration for inclusion in this note is a British suggestion. If this suggestion is adopted, the note would leave the way open for western power talks with Russia on major German issues, but make plain that before any such discussions can be held, the Berlin blockade must be lifted in such a manner that the Russians would not in effect be holding a pistol at the heads of the Western states.

Manila Court Upholds Agreement on Bases

MANILA, Friday, July 23 (AP)—The Philippine Supreme court today upheld the validity of the United States-Philippines military bases agreement.

Constitutionality of the agreement had been challenged by attorneys for a civilian Filipino employee of the U. S. Army, Godofredo Dizon, who was sentenced to a five-year term for theft of supplies.

They're Free, Face Hearings

Following their indictments by a Federal grand jury in New York, three of the Communists accused of advocating overthrow of the U. S. government stop to talk things over. They are (left to right) William Z. Foster, John C. Williamson and Eugene Dennis. The trio later was released in bail for hearings.

Ninth of Red Party Leaders Surrenders; Gains Release

NEW YORK, July 22 (AP)—The ninth of 12 indicted Communist party leaders surrendered today to Federal authorities.

He was Irving Potash, manager of the CIO Furriers Joint council in New York.

Along with 11 other members of the Communist party's national board, he is charged with advocating overthrow of the U. S. government by violence.

After appearing for arraignment today, Potash was released on \$5000 bond provided by the civil rights congress. The congress provided the same bond for each of the other eight men released yesterday.

MEANWHILE, associates of the three indicted men who have not yet been arraigned said they would surrender voluntarily soon.

The three others are Robert G. Thompson, New York State party chairman; Gilbert Green, Chicago district party chairman; and Gus Hall of Cleveland, Ohio State party chairman.

Potash and two other indicted party leaders also face deportation proceedings on charges of being alien Communists.

Potash, John B. Williamson and Jacob A. Stachel were arrested this

Coal Contract May Be Voided By Legal Snarl

WASHINGTON, July 22 (AP)—A hot legal battle began today on a Government charge that John L. Lewis violated the Taft-Hartley law in negotiating his new soft coal agreement.

Attorneys for Lewis argued at the outset that if the agreement's contested union shop clause runs afoul of the labor law, then coal mine owners who agreed to it are equally guilty.

The charges, being aired at a National Labor Relations hearing, are that Lewis illegally insisted on the clause in a contract signed July 31 with "Captive" coal mines—that is, mines owned by the steel industry.

THE TAFT-HARTLEY act says a union shop cannot be established unless the workers vote for it in an election conducted by the NLRB, but Lewis was prevented from obtaining an election because access to NLRB's facilities is available only to unions whose officers sign a non-Communist affidavit. Lewis refuses to sign one "as a matter of principle."

Lewis argued in a motion filed by his attorneys that the miners demonstrated, by their refusal to work the Captive mines during the week of July 6, that they wanted the union shop. Such a provision has been in past coal agreements since 1941.

The "Captive" work stoppage ended when they agreed with Lewis—in an out of court settlement arranged with Federal Judge T. Alan Goldsborough's help—to put the union shop into effect temporarily pending the outcome of the NLRB case on the election requirement.

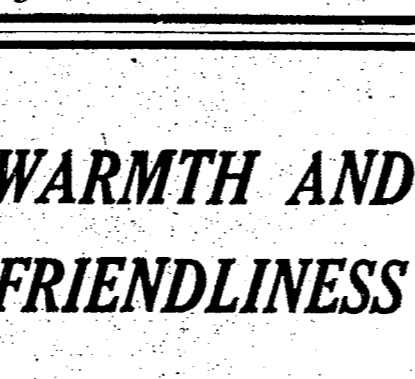

Lewis' attorneys also contended that the election requirement is invalid.

50 Persons Overcome At Fire in Newsplant

PHILADELPHIA, July 22 (AP)—More than 50 firemen and building employees were overcome by dense smoke today from a fire smoldering in the sub-basement paper storage section of the Philadelphia Inquirer's new rotogravure building. Twenty firemen and two building workers were treated at nearby hospitals.

President McKinley was once a student at Allegheny College, in Meadville.

Chiang's Luck Holds Out; Evades Red Noose Again

NANKING, July 22 (AP)—Generalissimo Chiang Kai-shek flew into a Communist noose and safely out again today for the second time in a month.

This time the Chinese government leader went to Communist-encircled Taiyuan, conferred with Gen. Yen Hsi-shan and completed the 1200-mile round trip back to Nanking at dusk tonight.

The Communists, estimated 150,000 strong, are at the walls of Taiyuan. They have captured one airfield and brought a second under artillery fire.

The Shansi provincial capital's third field is a fighter strip, said to be dangerous for transports. Only tonight the Chinese air force announced that commercial lines no longer would be allowed to use it because of military requirements.

It was not disclosed which of the fields Chiang used. As usual, his trip was kept secret until he was out.

Backs Truman

While many Southern Democrats plan to withdraw support of President Truman during the presidential election, Sen. A. Willis Robertson (D-Va.) (above) yesterday said he would vote for the Democratic standard-bearer this Fall. A lifelong Democrat, Robertson said he still disagrees with Mr. Truman on the issue of civil and states' right and the platform pledge to repeal the Taft-Hartley Labor act.

Cowgirl Actress Meets British King

HOLLYWOOD, July 22 (AP)—The king probably didn't know it, but Miss J. Ruth Clarke of Reno, Nev., whom he met at Buckingham palace today, is a rosin, ridin' cowgirl actress here in Hollywood, name of Reno Browne.

She has been playing in westerns for the past three years, and twice was chosen queen of Nevada rodeos.

Between pictures she flies her own plane home to Reno, where her father, John Robb Clarke, is an attorney.

MARIE TO FORM NEW CABINET

Assembly Must Approve
French Premier-Elect;
MRP Support Expected

PARIS, Friday, July 23 (AP)—Andre Marie said early today he had agreed to try and form a new French government.

The ailing premier-designate said he would seek the national assembly's approval of his premiership Saturday. This meant he cannot begin forming his cabinet before then.

Marie said he telephoned President Vincent Auriol at his Summer home outside Paris early today and accepted the nomination. His announcement came after outgoing Premier Robert Schuman's Popular Republican Movement (MRP) announced its "sympathy" for Marie.

THE MRP SAID ITS final attitude toward Marie would be decided after he makes a statement of policy before the assembly Saturday. It added that its support would be conditional upon Marie's not excluding any MRP candidates for cabinet posts.

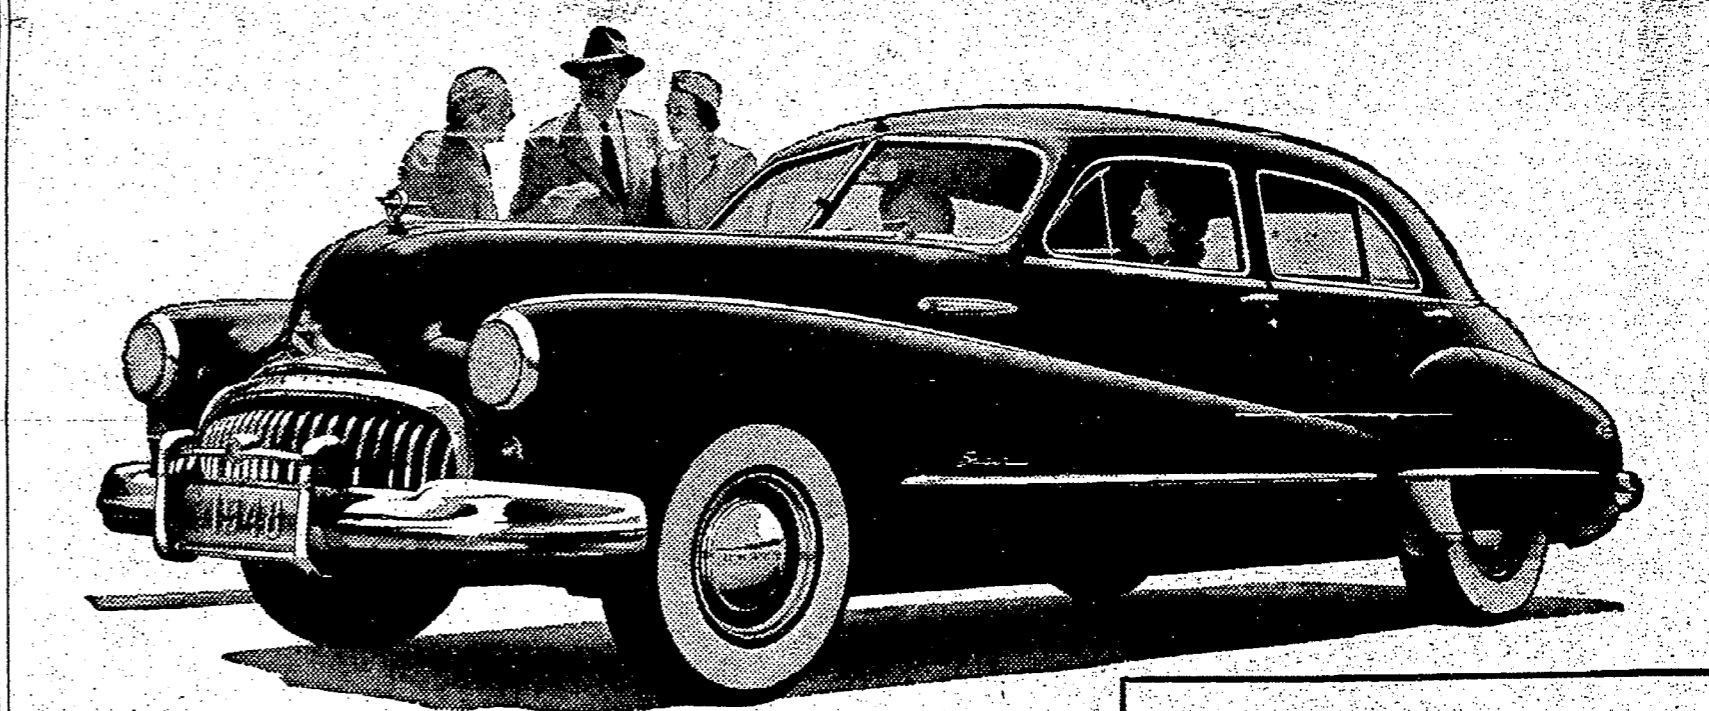

Auriol asked Marie to try and shape a new government after Schuman resigned Monday night.

The retiring premier quit when the assembly voted to cut his proposed defense budget.

Until the party made its announcement last night, the MRP was the only party of those which Marie intends to include in a coalition government which had not given him assent.

WHAT'S THE PRICE OF A BUICK?

7 out of 10 Guess Too High!

WE'LL admit that this husky two-ton honey looks like something super duper.

When you sample its ride, its handling and the silken liveliness of its big Fireball straight-eight power plant, you are likely to ticket it in the near-luxury class.

So, naturally, when we put the question to a cross section of carwise men and women—when we asked them to name their idea of the delivered price for a Buick SUPER—7 out of 10 guessed too high!

The fact is that—in relation to today's values—Buick prices begin at a lower level than before the war.

Dollar-wise, all prices are up—but Buick cars are not up as much as most other things—or even as much as the cost of building them.

So don't jump to conclusions without a bit of shopping around. Get the delivered prices—not only on Buick but on others, too—including cars with far less power, far less left, far less room and far less distinction.

You'll find that a lot of folks are paying within a few dollars of the price of a Buick—or maybe more than the price of a Buick—and getting something that can't hold a candle to what a Buick has to offer.

You'll find that price comparison gives you another sound reason for getting your firm order in—particularly since your Buick dealer will take it with or without a car to trade.

**OUR FOUR-SQUARE
SELLING POLICY**

- 1. NO PRICE PADDING.**
We guarantee our prices to contain nothing but the charges, which were standard practice in figuring prewar delivered prices. You receive an itemized bill of sale. And we display all prices in our showrooms.
- 2. NO "LOADING" OF UNWANTED ACCESSORIES.**
All cars are delivered with accessories as ordered, and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders.
- 3. NO COMPULSORY TRADE-INS.**
We will take your order and deliver your car without requiring a trade-in. However, we have many valued used-car customers we would like to supply and we will give you a fair and reasonable allowance on your present car.
- 4. NO COLLUSION WITH "GRAY MARKETERS."**
We will not knowingly be a party to the sale of Buick cars to any individual who operates in the "gray market." Our only interest is to deliver new cars to bona fide customers.

Of The Mercury

Dissension in the ranks is a common thing when an entire family is taking a blanket vacation at one spot. After they wrangle endlessly about where to go and finally make a decision, there is always the one faction which is permanently disgruntled because it lost out.

Then the head of the family insists that the car only holds so much, but yet mother and daughter may insist upon taking enough petty junk along to furnish Mammoth cave.

A week without conveniences is appalling to them. Thus they cram their suitcases with hair pins, safety pins, clothes pins, and any other kind of pins, as well as pair after pair of shoes, dresses they will never wear, gimmicks and gadgets which won't be used, and half of which will be forgotten when they return home.

When they finally get to where they're going, Pop begins to wonder just what he is getting a vacation from, except a change of scenery.

Two Hilldale Children Cut in Minor Mishaps

Two baby boys from Road A in Hilldale were given dispensary treatment at Memorial hospital early last night for cuts, one from a broken bottle, the other from a toy shovel.

Richard Wells, 23 months old, of Apartment 65, sustained a laceration of the right forearm that required several stitches to close when he fell and broke a milk bottle at his home.

James Armstrong, 4, of Apartment 19, suffered a cut from the toy shovel while playing by his home. The child failed to make it clear to parents or hospital authorities how he did it.

PLATT FURS MAKE WARM FRIENDS

Sunnybrook Is Scene of Annual Picnic As 1300 Emmanuelites Play and Dance

Sunnybrook park was the scene on Wednesday of the church and Sunday school picnic of the Emmanuel Lutheran church, with 1300 members in attendance. The affair lasted from 3 o'clock in the afternoon until midnight.

Games for the children of the nursery, beginners, primary and Junior departments began at 3 o'clock on the lawn in front of the main pavilion. Activities that highlighted the afternoon were a newspaper race, quilt pitching, balloon battle royal, and a Happy Holligan race. Eighty pounds of peanuts were distributed during the course of four peanut scrambles, and over 500 lollipops were given to the children.

After waiting for about two hours for ponies to arrive at the park, the committee in charge decided to give the children a more modern thrill, and called upon a local service station for some jeeps. Instead of the free pony rides promised to them, the children crowded into the two jeeps, 12 at a time, and whizzed about the park.

OTHER FEATURES of the afternoon were a softball game between boys of 25 years of age and girls averaging about 12 years of age and a baseball game between the Airmen class and the Young Men's class. The young men won, 11 to seven.

Winners in the nursery department were: Betsy Mae Yocom, Jimmy Reichman, Nancy Johnson and Bonnie Detweiler; primary, Robert Solomon, Herbert Myers, Elwood Richter Jr., Bruce Foltz, Thomas Leightcap, Patty Gerhart, Barbara Johnson, Irma Forster, Judy Fryer and Todd Moser.

Beginners department winners were: Linda Sessman, Charles Himes, Merrill Rambo, Betty Firth, Richard Himes, Shirley Graham, Geraldine Boyer, Gerald Brown, John Wentzel, Linda Baldwin, Lois Dennish, Ella Marie-Fox and Terry Grow; Junior, Patty Bell, Barbara DeWalt, Marsha Koche, Scott Rambo, Richard Clouser, David Reichman, Barbara Baldwin, Edith Mayberry, Jack Smith, Donald Hess, Paul Wentzel, Richard Clouser, Doris Seibald, Jane Reichelderfer, Beverly Dennis and Robert Embury.

IN THE EVENING, beginning at 8 o'clock, approximately 1000 people attended the vaudeville act from Philadelphia and the dance which followed from 9:30 to 12 a. m.

The act consisted of music furnished by a piano, electric guitar and harmonica, while a comedian, juggler and bird trainer completed the program. Music for the dance was furnished by Chuck Fulmer and his Melody Masters, of Boyertown.

A group of trained nurses were stationed at the park all afternoon in order to treat any accident cases of which there were quite a few. The following nurses served: Mrs. Ruth Rotz, Mrs. William Solomon, Mrs. Martha Saller and Mrs. Walter Ellis. Mr. LeRoy E. Moyer was chairman of the general committee.

Girl Scout Troops To Swim at Party In Sunnybrook Pool

A swimming party has been planned for all Girl Scout troops including the leaders, assistant leaders and troop committee members, to be held Thursday morning at 10 o'clock.

Each person is to bring a nose bag luncheon with a game, period to follow for about two hours.

As a registration system will be used as each girl enters or leaves the pool, each troop must be accompanied by at least one adult. The "buddy" system will also be used by all entering the pool.

Miss Fern Drumheller will be the life guard, while Mr. Edward Good and two Senior High school students will give instruction. The project is sponsored by the camp committee of the Pottstown Girl Scout council, Mrs. Adam Saylor, chairman.

Friends and Relatives Entertain Barbara Lord

Mr. and Mrs. Bruce Lord, South Pottstown, entertained recently with a birthday party in honor of their daughter, Barbara, who was six years old.

Following the opening of many gifts, games were played and a buffet luncheon served by the hostess. The centerpiece consisted of a pink and blue frosted cake with six candles.

Guests were: Ronnie McCalisher, David and Jared Krause, Carol and Patty Lasky, Thomas, James, Robert and Jacqueline Bliven, Mr. and Mrs. Harry Nankervis, Mrs. Hazel Lord, Mrs. Hazel Krause, Mrs. Edward Bliven, Mr. and Mrs. Raymond Lasky and the guest of honor.

Stephen Weglos Marries Miss Roberta Anderson

Mr. and Mrs. Frank Anderson, Linfield, announce the marriage of their daughter, Roberta Jean, to Mr. Stephen Weglos, son of Mr. and Mrs. Anthony Weglos, Linfield which took place the past Saturday in Elkton, Md., with the Rev. H. E. Hopkins officiating.

For the ceremony, Miss Anderson chose a pink crepe street length dress with which she wore a white lace half hat with long veil and white accessories. Her corsage was of pink rosebuds and baby's breath.

The couple were attended by Mr. and Mrs. Christopher Callopy, of Royersford, with Mrs. Callopy, of Royersford, in a street length dress of aqua crepe and white accessories.

A reception followed the wedding at the home of the bridegroom's parents, with 35 guests attending from Pottstown and Linfield.

Mrs. Weglos was graduated from Royersford High school. Her husband is employed with Sanitary Company of America in Linfield. The couple will reside in Linfield.

60 Youngsters Dance In Lincoln Gymnasium

Sixty youngsters of the Recreation commission playgrounds last night had themselves a time at a dance in the Lincoln school gymnasium.

The hall was decorated with pink, yellow and blue streamers, as the youngsters jitterbugged, fox-trotted and conga'd around the gym.

Their parents, playground leaders and Recreation commission officials were on hand, directing activities and serving soft drinks.

Lincoln playground leaders Miss Dorothy Purnell and Miss Barbara Silver were in charge of the dance.

A scavenger hunt is on the agenda for today at the borough's playgrounds.

Pipe-man teams from each play area will set out with 20-item lists.

Luther League Members Swim at County Park

The members of the Luther league of St. Peters Lutheran church motored to Montgomery County park Wednesday night for a swimming party and doggie roast.

A short business meeting was held at which time Mr. Rayel Geschwind talked to the group on the best ways to build and hold membership in a Luther League. Mr. Gilbert Harvey was elected as the league adviser.

Ringing Rocks Park Is Scene of Picnic Of Reformed Church

Sunday school and church picnickers of the Trinity Reformed church numbered 250 for afternoon events, swelled to 350 for the picnic supper and later grew to about 450 for the evening entertainment at their annual picnic held Wednesday in Ringing Rocks park.

Special buses ran at frequent intervals through the afternoon and evening to transport the many attending. Games for the junior department, under direction of Mr. Hathaway Geyer, included apple, cracker and peanut races, stunts and ball playing contest while the intermediates, under direction of Mrs. George Moore tried their hand (and sometimes foot) at a number of brand new games.

Games for the primary department was confined to tiny contests in the way of balloon blowing and eating puffed rice, and were under the supervision of Mrs. Esther Diemer. In the Nursery and Beginners departments, Mrs. Roberta Richardson, Mrs. Harry B. Frazee and Mrs. Robert Casner Sr. were in charge.

IN THE EVENING the Trinity Juniors trounced the Transfiguration Lutheran Juniors, 20-13, at baseball. The picnic ended with fancy roller skating in the pavilion by a list of professionals, with general roller skating for everyone following.

With the picnic supper, ice cream and coffee was served by the Sunday school under the direction of the Messrs. Richard Haury and Clarence Hilborn, while chocolate milk for the kiddies was available throughout the day.

Not all was pleasant at the picnic with the first aid group under the supervision of Mr. Hathaway Geyer treating a number of skinned elbows and knees. Young Terry Galoway had the misfortune of falling on a rock and cutting his tongue.

Mr. Oliver Christman was general manager of the affair and was assisted by Mr. Geyer, Mr. David Heiser, Mr. Lloyd Klink, Mr. E. Edmund Wells, Mr. William H. Yohn and Mr. Richard Haury.

Some people add rings of onion and uncooked prunes to pork chops during cooking. Add water for liquid.

Heap seedless grapes in the hollow of a pear half and serve with salad greens and cream cheese for a refreshing Summer dessert.

The engagement of Miss Mary Landis (above) Gilbertsville, RD 1, daughter of Mr. and Mrs. Raymond Landis, was recently announced to Mr. Gerald Groff, son of Mr. and Mrs. Leon Groff, 315 North Evans street. The wedding will be an event of July 31.

Husbands and Children Entertained at Picnic

Members of the Asbury Bible class of First Methodist church entertained their husbands and children at a covered dish picnic held last night in Sunnybrook park with about 40 in attendance.

During the short business meeting a letter of thanks was read from Miss Helen Moore, a missionary from the Methodist church in Japan, thanking the group for the three relief packages they mailed them about three months ago. Mrs. Elsie Pike, president, presided.

The next meeting will be held Sept. 16.

Edith W. Anderson, Collegeville, Andrew Harmonsky, 456 Cherry street, and Frances Polinitz, 374 Cherry street.

Young Women of Grace Hold Swimming Party

The Young Women's class of Grace Lutheran church gathered Wednesday night in Montgomery County park for a swimming party and doggie roast with a short business meeting following.

Decision was made to hold the next meeting in Manatoway park, Aug. 11, at which time plans will be made for the annual family picnic in September.

Those attending were: Miss Arlene Shaner, Mrs. Evelyn Duncan, Mrs. David Erb, Mrs. Joseph Hutt, Mrs. Woodrow Frick, Mrs. Gordon Hafer, Miss Gloria Rath, Mrs. Richard Moyer and Miss Joyce Herringer.

Girl Scout Troop 4 Plans Camping Trip Sunday

Final plans for the camping trip to Woodhaven was discussed by members of Girl Scout Troop 4 when they met last night in Grace Lutheran church.

Troop members are splitting up for the week at the camp at Hopewell park, with six members making the trip from July 25 to 31, and the second group of eight making their trip between Aug. 1 and 8.

All members leaving on Sunday are asked to be at the church Sunday with their equipment at 2:45 o'clock.

Miss Mildred Geist and Miss Larue Bickel are leaders.

BARCLAY ON BRIDGE

By SHEPARD BARCLAY

The Strongest Answer
WE ALL KNOW that we ought to bid with a hand which is utterly worthless in either high cards or distributional values in responding to an informative or takeout double across the table from us. We also know that if we have a fair amount of strength we should make the response more than minimum to show that our holding added to that of a doubler should produce a game. Now for the top extreme. What is the way to show at once that we hold an extremely good hand across from him? By bidding the opponent's suit.

(Dealer: West. North-South vulnerable.)
West Pass North 1 Pass South Pass 2 Pass 2 Pass 4 Pass 4
Yes, North had passed on his first turn, as he should have. But that was far from a sound excuse for South to pass the 4-Hearts bid. North had made on his second turn a call which is so strong that it is very seldom heard at any bridge table when he bid the opponent's suit. It was really a very fine bid. He knew from the double that South should be ready for either major, and he himself had a marvelous fit for either, plus the ace of one and a complete blank in one minor. Even his diamond length figured to be

of value, making it likely his partner was extremely short in the suit. Then North, as soon as he heard that South's main suit was hearts, jumped all the way to game in it. If South had been drawing proper inferences from that bidding, he could have felt certain of slam, and he could have probed for it by what-ever means he preferred or else bid small slam at once.

It is easy to see that grand slam is in the cards if South plays West for the spade Q as he should in view of the fact that East's bid was pretty well shown up as a psychic nuisance bid. As it developed, South did not even have to guess the spade suit, since West led the club A. When it was ruffed in the dummy, South had two good clubs to discard spades and so walked home with the unbid grand slam.

Teachers Institute Set for Sept. 2-3

In the middle of a first-class vacation, Berks county teachers including those of Boyertown and surrounding districts were notified yesterday through the "Berks County School Bulletin" that it won't be so very long before they go back to school again themselves.

The annual county teachers institute is scheduled for Thursday and Friday, Sept. 2 and 3, in Southern Junior High school, Reading.

Among instructors engaged are Dr. A. J. Stoddard, superintendent of Philadelphia public schools, who will deliver addresses entitled "UNESCO Gives Us a Chance" and "What Constitutes an Adequate School Health Program"; Edward A. Hill, writer and lecturer, who will give an illustrated talk on "The American Eagle"; Dr. Carl D. Morneweck from the department of public instruction, Harrisburg, "School Attendance Reports."

Mrs. Emilie Jacobson, a journalist, will deliver two talks, "America As I Find It" and "Humor—First Aid to Understanding." John Goette, China correspondent, will discuss "America Reshapes Japan" and "Asia's Human Side."

Attendance of all professional employees is compulsory according to the Pennsylvania school code, the announcement emphasized.

Truck Driver Dies After Vehicle Hits Bethlehem Trolley

Stanley A. Meitzler, 25, son of Mr. and Mrs. James I. Meitzler, of Claymont, near Bally, died the past Wednesday night in St. Luke's hospital, Bethlehem, as the result of a crash between the dairy truck he was operating and a trolley car at Fountain Hill, near Bethlehem.

Witnesses told Chief of Police Victor P. Hoffman, of Fountain Hill, that the truck crashed head-on into the front of the trolley car. Five other persons, including the motorist, of the street car, Robert Bastian, of Bethlehem, and four passengers, were also injured.

Meitzler was pinned against the seat in the crumpled cab of the truck, owned by Sun Crest Dairy farms, Butztown. He was removed by several men who heard the crash. The body of the truck was ripped from the chassis, scattering ten-gallon milk cans across the highway.

The Berks man is survived by his parents, James I. and Annie E. (Bear) Meitzler, and ten brothers and sisters: Arthur, of Barto; Mrs. Edith Rohrbach, at home; Ella, wife of William Dierolf, Boyertown RD 2; Annie, wife of Wayne Hoffman, Barto; Preston, East Greenville RD; Isadore, of Barto RD; Samuel,

Ralph, Charles and Paul, all at home.

Services will be held Sunday at 1:30 p. m. from the home of the parents near Bally, with further services in Baptist Missionary church, Macungie, the Rev. J. Gaylord Lehman and the Rev. George Condit, officiating. Burial in the adjoining cemetery. A Boyertown funeral home at 124 West Philadelphia avenue has charge.

Nine Local Women Attend Conference

Nine Boyertown women of the Women's Guild of Church of the Good Shepherd, Evangelical and Reformed, are attending sessions of the guild's state conference at Cedar Crest college, Allentown.

Ruth Landis, formerly of 117 North Walnut street and now on the national staff of the Women's Guild in Cleveland, Ohio, is recreation director for the event, which began early this week and will continue through Friday.

Mrs. Amanda F. Erb, president of the local guild, is in charge of arrangements. Attending sessions are Mrs. Erb, Mrs. C. C. Burdian, who will attend all meetings; Mrs. Harper L. Schneck, Mrs. Thomas J. Gabel, Mrs. Samuel H. Maurer, in attendance today; Amy Dengler, Mrs. Alvin Steltz and Mrs. William Brooke, who will attend tomorrow.

Boyertown Youth Enlists For One-Year Service

Among 14 men, including seven 18-year-olds seeking special one-year tours of duty, who enlisted at United States Army and Air Force recruiting station, Reading, was John S. Renninger, 41 East Second street.

Among those enlisting for three-year hitches were Harold T. Landis, 18, 131 South Washington street, and Edward J. Mackey, 18, of 51 South Chestnut street, both in the Air Force.

Annual Tour Set For Berks Farmers; Schedule Mapped

Berks county farmers who go on the annual tour scheduled for Wednesday, will visit points of interest in Chester, Lancaster and Berks counties, it was announced yesterday by Charles S. Adams, county farm agent.

The farmers will assemble along Morgantown road just beyond Bingham street bridge, Reading, between 7:30 and 8 a. m., and the tour will start for its first point, the Naaman Stoltzfuss dairy farm, at 8 a. m., where farmers will view an exceptional herd of Holsteins.

The group will tour New Holland Machine works from 9:30 to 10:15 a. m. They will eat lunch at a park north of Coatesville from 11:30 a. m. to 12:30 p. m., and from 12:45 to 1:30 p. m., the group will visit the King ranch, Buck and Doe Valley farms, South of Coatesville along Route 82. High point of interest here will be 3000 Texas cattle. Brahmas crosses now feeding on 5000 acres of excellent pasturage.

The farmers will next visit Landisville Artificial Dairy Breeding Cooperative from 2:45 to 3:45 p. m. The tour will end with a visit to Old Glory farms, Robesonia, a horse-breeding and beef cattle farm with excellent pastures. The group will disband at the farm at 5:30 p. m.

Adams, the county agent, also announced plans for the annual 4-H agricultural club camp at Blue Mountain Boy Scout camp along Route 83, five miles north of Route 22. Berks youth will join with members of clubs in Montgomery, Bucks, Northampton and Lehigh counties for the event, scheduled for August 4 to 7.

Captain of Boyertown Club To Be Honored at Trap Shoot

Having served as captain of the Boyertown Rod and Gun club's trap shooting team for 25 years, Clarence B. Gottshall will be honored at a testimonial shoot Sunday afternoon on the club's shooting grounds.

Gottshall, who is a lifelong resident of Boyertown, has been trap captain since 1923 when the present club was reorganized. He has been employed by the Boyertown Bural Casket company for the past 40 years.

Gottshall, better known as "Towney" to his friends, is still active in trap shooting, having participated in various shoots when not conducting the Boyertown club's events.

OVER 100 SPORTSMEN from several states are expected to participate in the testimonial shoot for Gottshall. The event, which calls for 75 targets, Lewis, is scheduled to get underway at 12 o'clock noon.

The veteran trap captain has been a director of the local group for a quarter of a century. William D. Schealer was the first president with Nathan E. Benner, now of Philadelphia, as secretary and Benjamin F. Nyce as treasurer. Among other charter members were the late Ambrose Meyer, William Wien, Henry Wien, John B. Schaeffer, Milton S. Brey and Jefferson Gether.

The Boyertown club was first organized in 1886, was active in trap shooting long before Gottshall became interested in the sport.

THE CLUB HAS produced quite a few Pennsylvania State champions, among them Brey, Benner, and Mrs. Fred Haas, of Boyertown. Mrs. Haas has been the state women's champion for the past several years and is still an active member of the club.

Gottshall is not only an active member of the Boyertown club but also shoots for the Quaker City Gun club, South End Rod and Gun club of Lanes, and the Pike Township Sportsman's association.

The Boyertown club operates four automatic traps located on the

CLARENCE B. GOTTSALL

club's shooting grounds adjoining the clubhouse.

STOWE WINS AGAIN, 5-0 — The Stowe Midgits maintained a comfortable lead in the Midgite Recreation league by defeating Bethany, 5-0, last night on The Hill far fields.

NEW YORK STORE UPSETS REDBIRDS IN CITY LOOP, 10-4

The New York store softball team caused a four-way tie for first place in the City-Industrial softball league last night as it upset the Pottstown Redbirds, 10-4, at South Pottstown.

The defeat was the fourth of the year for the Redbirds and gave them the same record as West Potomac, Spicer's Cafe and East End. All have won ten games and lost four.

Home runs by Bobby Shaner and Stan Prince enabled the New Yorkers to overcome a 6-4 deficit and go on to win.

In another league game last night, Maria Assunta maintained its one game lead over the New Yorkers by whipping Spicer's Supervisors, 10-6, on The Hill far fields.

Guy Sperat scattered 14 Spicer hits to win his second game of the year for the Maria Assunta nine.

Four Pros Deadlocked With 65s at Reading

READING, July 22 (AP)—Four par putting pro golfers squalled a course record of 65 made only once in the 26 year history of the Berkshire Country club today to head a field of 146 professionals and amateurs in the first round of the \$15,000 Reading Open.

E. J. Dutch Harrison, defending champion of Little Rock, Ark., Rod Munday, York Country club; Fred Haas Jr., New Orleans, La., and Johnny Palmer, Badin, N.C., all toured the 6438 yard course in seven under par.

Bobby Locke made onlookers blink with disbelief as he missed a four putt on the interesting 18th hole to wind up with a 66.

Bantam Ben Hogan, Hershey, striving to overhaul Lloyd Mangrum as leading money-winner, carded a 67. Mangrum, of Niles, Ill., played in 69.

CARDINALS DIVIDE DOUBLEHEADER WITH NEW YORK GIANTS

ST. LOUIS, July 22 (AP)—The St. Louis Cardinals, beaten 6-3 in the first game of a doubleheader today, came from behind to nose out the New York Giants, 7-6, in 11 innings in the second game with Nippy Jones singling home George Kurrowski with the payoff run.

With one out in the 11th, Ken Trinkle, fourth base pitcher, walked Kurrowski. Knos Slaughter beat out an infield hit and Jones then singled to left to break up the game.

In the opener, Sheldon Jones held the Redbirds to seven hits in gaining his eighth triumph of the year. One of the blows was a two-run homer by Del Rice.

Yankees Win Over Cleveland, 6-5

Boston Sox Win Twice From Chicago, Take 3d Place From Yanks

BOSTON, July 22 (AP)—With Junior Stephens, the American league's most-runs-batted-in slugger, homering in each game, the Boston Red Sox broke their third-place tie with the New York Yankees today by sweeping a doubleheader from the Chicago White Sox, 3-0, and 5-3.

Stephens clinched the opener for the five-hit pitching Denny Galehouse by lofting into the left field screen in the first inning after Stan Spence walked with two out.

And in the third inning of the nightcap, Stephens hit his 20th four-bagger, again with Spence aboard via the base on balls route.

ELLIS KINDER gave the Chisox eight hits, four of them bunched with a walk for all three runs in the second inning.

In Boston's side of the second game's fifth, Johnny Pesky grounded to first baseman Tony Lupien and when Umpire Red Sox declared the runner safe, second baseman Cas Michaels protested so strenuously that he was rejected.

Since the Red Sox scored twice in that frame, the dispute continued to rage when the Chisox came to bat. Jones then ordered Bing Miller off the field and Man-

ATHLETICS NIP BROWNIES, 8-7, IN 12TH INNING

Hank Majeski Singles With Bases Loaded To Decide Tussle

PHILADELPHIA, July 22 (AP)—Third baseman Hank Majeski singled with the bases loaded and two out in the 12th inning tonight to give the Philadelphia Athletics an 8-7 win over the St. Louis Browns. The victory put the A's within a half game of the leading Cleveland Indians in the American league pennant race.

Majeski's winning hit came off the fourth St. Louis pitcher, Al Widmar, and scored Skeeter Webb who went in to run for Lou Brisse after the latter's hit opened the twelfth inning.

Widmar's walk to Elmer Valo and an intentional pass to Ferris Fain, and scored Skeeter Webb who went in to run for Lou Brisse after the latter's hit opened the twelfth inning.

DIMAG SMACKS HOME RUN WITH BASES LOADED

Throng of 68,258 Fans Watch Bobby Feller Lose 12th Game of Season

NEW YORK, July 22 (AP)—Joe DiMaggio belted a grand slam home run and Lefty Tommy Byrne came through with a splendid relief performance to lead the New York Yankees to a 6-5 victory over the American league leading Cleveland Indians tonight.

A capacity crowd of 68,258 fans saw Bobby Feller, Cleveland's stormy strikeout specialist, go down to his 12th setback of the season and his third straight.

Feller yielded all of the Yankee runs, giving up the first two in the third inning when Tommy Henrich followed a single by George Surenweiss with his 11th home run. That tied the score at 2-2. Stinson's second single, which opened the last half of the fifth, followed by consecutive walks to Henrich and Charlie Keller, set the stage for DiMaggio's clean-up blast deep in to the left field stands. It was the 17th home run yielded by Feller this season.

Chicago Cubs Defeat Dodgers By 6-3 Score

CHICAGO, July 22 (AP)—Lefty Johnny Schmitz humbled the Brooklyn Dodgers for the fourth time this season today, pitching the last place Chicago Cubs to a 6-3 victory over the pennant-striving Dodgers.

The Dodgers scored the first run of the game in the third inning on singles by Mervyn Rackley, Gene Hermanski and Bruce Edwards but the Cubs went up in the fourth when Bill Nicholson clouted his 13th homer of the season.

Chicago moved ahead in the fifth to stay, scoring twice with Peanuts Lowrey and Andy Pafko driving home the counters. They added two more runs in the seventh and another in the eighth.

A's Blank Giants, 4-0, Behind Reidenouer

Dave Reidenouer pitched the Athletics into a tie for first place in the Baseball School league yesterday morning as he limited the Giants to one hit in seven innings. The A's won, 4-0.

Reidenouer had perfect control from start to finish and didn't issue a single base on balls. He faced only 21 batters and Gerry Waycock was the only man to reach first base against the southpaw. Waycock singled for the Giants' only hit.

Wayne Query helped Reidenouer notch the victory by smacking a homer with one mate aboard in the second.

This morning at nine o'clock on Franklin Field, the Yankees, tussle with the Cardinals.

Legion Juniors Meet Perkiomen foe tonight

Still riding on the crest of a two-game winning streak, the Pottstown American Legion Juniors go to Pottstown tonight for a Mont-Bucks league tussle with the Perkiomen Legion. Game time is scheduled for six o'clock.

The local Legion players will leave the Legion home at five o'clock by bus.

Talks, Skits on History and Development Of Music Feature Norco Grange Program

A college course in music appreciation had nothing on the program presented by members of the North Coventry grange when they met in their hall last night.

Games, talks, and skits, all pertaining to the development of music in Europe and America, engaged the attention of all who attended. The program was arranged and directed by Phyllis Kulp.

To start it off, Harvey Walters read a poem entitled "Disillusioned Vocalist." This was followed by an effective pantomime impersonation of Sammy Kaye by Barbara Collins, a grange guest.

Readings illustrating American composers, presenting the different types of music to come about through American history, was given by Ruth Shenk. As she completed her talk about each type, a chorus of eight sang an example.

The chorus was composed of Birdla Battori, Marjory Berriker, Marilyn Berriker, June Kulp, Mary Walters, Leonard Keim, Robert Swartz, and Earl Kerlin, with Marion Updegrave as pianist. After this feature, the pianist played songs in which the titles were concerned with some farm crop. Grange members guessed the answers.

A COMPREHENSIVE talk on the beginning of music and man's early inclinations toward tones was given by Mrs. Mary Jane Kulp.

She told how man, in another age, got ideas from the sound of flowing water, the result of blowing through a reed, the twang of a bowstring. She also went into a discussion of European composers, how they developed, and how American

music was based on the compositions of the Old World masters.

It was announced during the business meeting that Mrs. Mary Kline was named as the grange's spelling bee representative for the Pomona grange contest in August. Characters also were selected for participation in a one-act play contest at Pomona in September, the winners of which will move on to State finals.

A grange picnic will be held Aug. 1 at the home of Mary E. Haws, south of Kenilworth.

Six new applications for membership were received. A special meeting is being called Monday night for action on these applications.

A county-wide initiation program in subordinate degrees is planned July 29 and Aug. 3 at the Kimberton grange.

Mrs. C. Rudolph Kulp, master, was in charge of the business session. The Statue of Liberty was presented to the United States by France in 1886, to commemorate the first century of American independence.

Troop 3 Scrap Drive To Start Tomorrow

Plans for a scrap drive which will commence tomorrow were discussed by members of Boy Scout, Troop 3, when they met Wednesday night in their rooms in Presbyterian church.

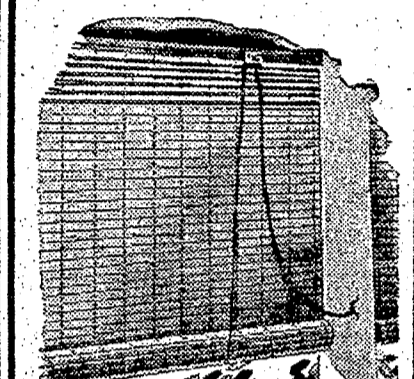

Proceeds from the drive will be used to send the boys to camp during August and to purchase equipment for various troop outings, as well as parts of uniforms for the scouts.

A report was given on tests passed at Camp Delmont, which was followed by games and scoutcraft demonstrations.

Potter County was named for Gen. James Potter, Revolutionary hero.
